## Message from the East:

Fraternal Greetings Brethren –

As I am composing this, the entire region is being consumed by a Blizzard of epic proportions. My thoughts and prayers are with all of you and I am hopeful everyone will fare the storm well and stay safe until all is cleared. Please remember your fellow brethren who may be shut in and may need a cable tow extended to help in removing snow or just bring by some needed provisions.

We have a couple of important events coming up, so please take note and mark your calendars.

### Family Night at Gideon Lodge!

We will be opening the lodge to family this month for our February Stated Meeting Dinner. Please bring along your spouses and children to enjoy dinner with us before the meeting. It is important for us to get a good estimate of how many to plan for, so please use our [Online Reservations](http://www.gideonlodge.com/Reservations.html) tool to make your reservations and alert us that you will be coming and how many will be with you. Dinner is at 6:30pm.

### Veterans Program Scheduled

We have scheduled this year's Veterans Program for **Sunday April 12<sup>th</sup> at 2PM**. I hope everyone will help to participate and come out to support our long term veterans of the lodge as they receive their milestone awards. Watch for further details as we get closer to the date and please see what you can do to help

participate and help make the day a special one.

### Candidates Reaching for More Light

Several of our candidates have made significant progress in their lessons and are ready to be tried in open

lodge. I encourage everyone to come out to our stated meeting to support our candidates and brothers as they seek further light in Masonry. We all remember the individual effort that is put in to learning our lessons and what a great feeling of accomplishment it is to pass to the next degree. It is so important that we all show our support and congratulate each of our brothers on their achievements.

### Paypal Update

Finally!!! We are up and running with PayPal on our

website. All issues surrounding our account have been cleared up and the link on our site is working now. I apologize for the confusion on this subject, it was a longer than expected process. Additionally, our donations page is now also active with a PayPal option to accept donations online.

Fraternally,

David S. Henderson
