## Unity

One of the first questions you are asked when you become interested in joining Masons is “Do you believe in a Supreme Being?” Later you are asked, “In whom do you put your trust?” In both cases you begin to realize that Masonry has something to do with God. Then you hear the words: **“Behold, how good and how pleasant is it for brethren to dwell together in unity.”** These words cannot be heard too often. They remind us that one of the great strength of any organization is **unity**. By working together, many things can be accomplished. Many large projects are much easier. Masonry extends beyond the confines of the lodge room. It includes brothers from many faiths and backgrounds. One of the very beginning things you will notice is that they come from all walks of life. You will be surprised to see the neighbor you respect is a Mason, the doctor you visited is also an active Mason and even the pastor of the church you attend is a member. You may see brothers from India or England. All of them have heard the same words, **“Behold, how good and how pleasant it is for Brethren to dwell together in unity.”** There may be diversity and differences in the lodge. Nevertheless, we can find commonality, cooperation and friendship as brother Masons.

## Frequently Asked Questions

**Why has Symbolic\_Masonry three degrees only and not four or seven or a larger number, as have other branches of the Fraternity?**

Three is the numerical symbol of the equilateral triangle, which is man's earliest symbol for God. It was the "most sacred number" at the dawn of civilization. Masonry emphasizes it: three degrees, three circumambulations in the Third Degree, three Great Lights, three Lesser Lights, three steps on the Master's Carpet, three Fellows who stood at the gates of the Temple, three who discovered the Master Workman, three principal rounds, three Grand Columns, etc.

Evidently the ritual makers of an early age believed that there should be a symbolism of numbers as well as of objects in the teaching of Masonry regarding the fatherhood of God, to instruct that He is present at all times in every ceremony and meeting.

## **Frequently Asked Questions (continued)**

**As the V.S.L. (Volume of Sacred Law) and the Book of the Law the same as the Bible?**

In Christian lands the holy book of the prevailing faith is the Great Light. In American and English lodges that book is the Holy Bible. A Masonic lodge cannot exist without the V.S.L., the Book of the Law. But in lands where there are other religions, the sacred book of those religions becomes their Great Light. What is important is that some volumes containing divine revelation be a part of the furniture of the lodge. Inasmuch as Freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that some volume containing divine revelation be a part of the furniture of the lodge. Inasmuch as freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that natural religion in which all men agree (Old Charges), it is only necessary that the V.S.L. be sacred to the members of the lodge. The Bible on American Altars is not to be considered only as a Christian or a Jewish sacred book; it is a *symbol* of the revealed will and teachings of the Great Architect of the Universe-a name under which any Freemason can worship that Deity in Whom he puts his faith and trust.

## From the Master

Brothers, we are expecting another busy month in Gideon Lodge. We hope to see you there.

**May 2, Monday;** Stated. Dinner 6:30 p.m. Lodge open at 7:15 p.m. Program for the evening will be a talk by DDGM Mike Pettengill. He is always an exciting story teller. This will be your last chance to see him in his role as DDGM. Mike is appreciated for always emphasizing, "If you're not having fun, we are doing something wrong!"

**May 5, Thursday;** Table Lodge. 6:30 p.m. A great event. If you have never been, you need to try this. Gideon has not had one since 1996. It will be quite a departure from our usual dinners: seven courses and seven toasts, plus protocol. Always a fun time. A few tickets are left, they are \$25. Call Dave Henderson at 303-3758.

**May 6, Friday;** Social Lunch, Noon. Always a good time to socialize in a casual setting. Menu has been varied, but has always been a treat.

**May 21, Saturday; Grand Lodge.** Begins at 9:00 a.m., will last most of the day. Very important annual meeting. There will be constitutional amendments proposed, and a new slate of officers. Any Mason may attend but only four of us can vote. If you would like to go, please call the Master.

## Frequently Asked Questions

**Why has Symbolic\_Masonry three degrees only and not four or seven or a larger number, as have other branches of the Fraternity?**

Three is the numerical symbol of the equilateral triangle, which is man's earliest symbol for God. It was the "most sacred number" at the dawn of civilization. Masonry emphasizes it: three degrees, three circumambulations in the Third Degree, three Great Lights, three Lesser Lights, three steps on the Master's Carpet, three Fellows who stood at the gates of the Temple, three who discovered the Master Workman, three principal rounds, three Grand Columns, etc.

Evidently the ritual makers of an early age believed that there should be a symbolism of numbers as well as of objects in the teaching of Masonry regarding the fatherhood of God, to instruct that He is present at all times in every ceremony and meeting.

**As the V.S.L. (Volume of Sacred Law) and the Book of the Law the same as the Bible?**

In Christian lands the holy book of the prevailing faith is the Great Light. In American and English lodges that book is the Holy Bible. A Masonic lodge cannot exist without the V.S.L., the Book of the Law. But in lands where there are other religions, the sacred book of those religions becomes their Great Light. What is important is that some volumes containing divine revelation be a part of the furniture of the lodge. Inasmuch as Freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that some volume containing divine revelation be a part of the furniture of the lodge. Inasmuch as freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that natural religion in which all men agree (Old Charges), it is only necessary that the V.S.L. be sacred to the members of the lodge. The Bible on American Altars is not to be considered only as a Christian or a Jewish sacred book; it is a *symbol* of the revealed will and teachings of the Great Architect of the Universe-a name under which any Freemason can worship that Deity in Whom he puts his faith and trust.

## From the Master

Brothers, we are expecting another busy month in Gideon Lodge. We hope to see you there.

**May 2, Monday;** Stated. Dinner 6:30 p.m. Lodge open at 7:15 p.m. Program for the evening will be a talk by DDGM Mike Pettengill. He is always an exciting story teller. This will be your last chance to see him in his role as DDGM. Mike is appreciated for always emphasizing, "If you're not having fun, we are doing something wrong!"

**May 5, Thursday;** Table Lodge. 6:30 p.m. A great event. If you have never been, you need to try this. Gideon has not had one since 1996. It will be quite a departure from our usual dinners: seven courses and seven toasts, plus protocol. Always a fun time. A few tickets are left, they are \$25. Call Dave Henderson at 303-3758.

**May 6, Friday;** Social Lunch, Noon. Always a good time to socialize in a casual setting. Menu has been varied, but has always been a treat.

**May 21, Saturday; Grand Lodge.** Begins at 9:00 a.m., will last most of the day. Very important annual meeting. There will be constitutional amendments proposed, and a new slate of officers. Any Mason may attend but only four of us can vote. If you would like to go, please call the Master.

## Unity

One of the first questions you are asked when you become interested in joining Masons is “Do you believe in a Supreme Being?” Later you are asked, “In whom do you put your trust?” In both cases you begin to realize that Masonry has something to do with God. Then you hear the words: **“Behold, how good and how pleasant is it for brethren to dwell together in unity.”** These words cannot be heard too often. They remind us that one of the great strength of any organization is **unity**. By working together, many things can be accomplished. Many large projects are much easier. Masonry extends beyond the confines of the lodge room. It includes brothers from many faiths and backgrounds. One of the very beginning things you will notice is that they come from all walks of life. You will be surprised to see the neighbor you respect is a Mason, the doctor you visited is also an active Mason and even the pastor of the church you attend is a member. You may see brothers from India or England. All of them have heard the same words, **“Behold, how good and how pleasant it is for Brethren to dwell together in unity.”** There may be diversity and differences in the lodge. Nevertheless, we can find commonality, cooperation and friendship as brother Masons.

**As the V.S.L. (Volume of Sacred Law) and the Book of the Law the same as the Bible?**

In Christian lands the holy book of the prevailing faith is the Great Light. In American and English lodges that book is the Holy Bible. A Masonic lodge cannot exist without the V.S.L., the Book of the Law. But in lands where there are other religions, the sacred book of those religions becomes their Great Light. What is important is that some volumes containing divine revelation be a part of the furniture of the lodge. Inasmuch as Freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that some volume containing divine revelation be a part of the furniture of the lodge. Inasmuch as freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that natural religion in which all men agree (Old Charges), it is only necessary that the V.S.L. be sacred to the members of the lodge. The Bible on American Altars is not to be considered only as a Christian or a Jewish sacred book; it is a *symbol* of the revealed will and teachings of the Great Architect of the Universe-a name under which any Freemason can worship that Deity in Whom he puts his faith and trust.

## From the Master

Brothers, we are expecting another busy month in Gideon Lodge. We hope to see you there.

**May 2, Monday;** Stated. Dinner 6:30 p.m. Lodge open at 7:15 p.m. Program for the evening will be a talk by DDGM Mike Pettengill. He is always an exciting story teller. This will be your last chance to see him in his role as DDGM. Mike is appreciated for always emphasizing, "If you're not having fun, we are doing something wrong!"

**May 5, Thursday;** Table Lodge. 6:30 p.m. A great event. If you have never been, you need to try this. Gideon has not had one since 1996. It will be quite a departure from our usual dinners: seven courses and seven toasts, plus protocol. Always a fun time. A few tickets are left, they are \$25. Call Dave Henderson at 303-3758.

**May 6, Friday;** Social Lunch, Noon. Always a good time to socialize in a casual setting. Menu has been varied, but has always been a treat.

**May 21, Saturday; Grand Lodge.** Begins at 9:00 a.m., will last most of the day. Very important annual meeting. There will be constitutional amendments proposed, and a new slate of officers. Any Mason may attend but only four of us can vote. If you would like to go, please call the Master.

## Unity

One of the first questions you are asked when you become interested in joining Masons is “Do you believe in a Supreme Being?” Later you are asked, “In whom do you put your trust?” In both cases you begin to realize that Masonry has something to do with God. Then you hear the words: **“Behold, how good and how pleasant is it for brethren to dwell together in unity.”** These words cannot be heard too often. They remind us that one of the great strength of any organization is **unity**. By working together, many things can be accomplished. Many large projects are much easier. Masonry extends beyond the confines of the lodge room. It includes brothers from many faiths and backgrounds. One of the very beginning things you will notice is that they come from all walks of life. You will be surprised to see the neighbor you respect is a Mason, the doctor you visited is also an active Mason and even the pastor of the church you attend is a member. You may see brothers from India or England. All of them have heard the same words, **“Behold, how good and how pleasant it is for Brethren to dwell together in unity.”** There may be diversity and differences in the lodge. Nevertheless, we can find commonality, cooperation and friendship as brother Masons.

## Frequently Asked Questions

**Why has Symbolic\_Masonry three degrees only and not four or seven or a larger number, as have other branches of the Fraternity?**

Three is the numerical symbol of the equilateral triangle, which is man's earliest symbol for God. It was the "most sacred number" at the dawn of civilization. Masonry emphasizes it: three degrees, three circumambulations in the Third Degree, three Great Lights, three Lesser Lights, three steps on the Master's Carpet, three Fellows who stood at the gates of the Temple, three who discovered the Master Workman, three principal rounds, three Grand Columns, etc.

Evidently the ritual makers of an early age believed that there should be a symbolism of numbers as well as of objects in the teaching of Masonry regarding the fatherhood of God, to instruct that He is present at all times in every ceremony and meeting.

## Unity

One of the first questions you are asked when you become interested in joining Masons is “Do you believe in a Supreme Being?” Later you are asked, “In whom do you put your trust?” In both cases you begin to realize that Masonry has something to do with God. Then you hear the words: **“Behold, how good and how pleasant is it for brethren to dwell together in unity.”** These words cannot be heard too often. They remind us that one of the great strength of any organization is **unity**. By working together, many things can be accomplished. Many large projects are much easier. Masonry extends beyond the confines of the lodge room. It includes brothers from many faiths and backgrounds. One of the very beginning things you will notice is that they come from all walks of life. You will be surprised to see the neighbor you respect is a Mason, the doctor you visited is also an active Mason and even the pastor of the church you attend is a member. You may see brothers from India or England. All of them have heard the same words, **“Behold, how good and how pleasant it is for Brethren to dwell together in unity.”** There may be diversity and differences in the lodge. Nevertheless, we can find commonality, cooperation and friendship as brother Masons.

## Frequently Asked Questions

**Why has Symbolic\_Masonry three degrees only and not four or seven or a larger number, as have other branches of the Fraternity?**

Three is the numerical symbol of the equilateral triangle, which is man's earliest symbol for God. It was the "most sacred number" at the dawn of civilization. Masonry emphasizes it: three degrees, three circumambulations in the Third Degree, three Great Lights, three Lesser Lights, three steps on the Master's Carpet, three Fellows who stood at the gates of the Temple, three who discovered the Master Workman, three principal rounds, three Grand Columns, etc.

Evidently the ritual makers of an early age believed that there should be a symbolism of numbers as well as of objects in the teaching of Masonry regarding the fatherhood of God, to instruct that He is present at all times in every ceremony and meeting.

## **Frequently Asked Questions (continued)**

**As the V.S.L. (Volume of Sacred Law) and the Book of the Law the same as the Bible?**

In Christian lands the holy book of the prevailing faith is the Great Light. In American and English lodges that book is the Holy Bible. A Masonic lodge cannot exist without the V.S.L., the Book of the Law. But in lands where there are other religions, the sacred book of those religions becomes their Great Light. What is important is that some volumes containing divine revelation be a part of the furniture of the lodge. Inasmuch as Freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that some volume containing divine revelation be a part of the furniture of the lodge. Inasmuch as freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that natural religion in which all men agree (Old Charges), it is only necessary that the V.S.L. be sacred to the members of the lodge. The Bible on American Altars is not to be considered only as a Christian or a Jewish sacred book; it is a *symbol* of the revealed will and teachings of the Great Architect of the Universe-a name under which any Freemason can worship that Deity in Whom he puts his faith and trust.

## Unity

One of the first questions you are asked when you become interested in joining Masons is “Do you believe in a Supreme Being?” Later you are asked, “In whom do you put your trust?” In both cases you begin to realize that Masonry has something to do with God. Then you hear the words: **“Behold, how good and how pleasant is it for brethren to dwell together in unity.”** These words cannot be heard too often. They remind us that one of the great strength of any organization is **unity**. By working together, many things can be accomplished. Many large projects are much easier. Masonry extends beyond the confines of the lodge room. It includes brothers from many faiths and backgrounds. One of the very beginning things you will notice is that they come from all walks of life. You will be surprised to see the neighbor you respect is a Mason, the doctor you visited is also an active Mason and even the pastor of the church you attend is a member. You may see brothers from India or England. All of them have heard the same words, **“Behold, how good and how pleasant it is for Brethren to dwell together in unity.”** There may be diversity and differences in the lodge. Nevertheless, we can find commonality, cooperation and friendship as brother Masons.

## Frequently Asked Questions

**Why has Symbolic\_Masonry three degrees only and not four or seven or a larger number, as have other branches of the Fraternity?**

Three is the numerical symbol of the equilateral triangle, which is man's earliest symbol for God. It was the "most sacred number" at the dawn of civilization. Masonry emphasizes it: three degrees, three circumambulations in the Third Degree, three Great Lights, three Lesser Lights, three steps on the Master's Carpet, three Fellows who stood at the gates of the Temple, three who discovered the Master Workman, three principal rounds, three Grand Columns, etc.

Evidently the ritual makers of an early age believed that there should be a symbolism of numbers as well as of objects in the teaching of Masonry regarding the fatherhood of God, to instruct that He is present at all times in every ceremony and meeting.

## **Frequently Asked Questions (continued)**

**As the V.S.L. (Volume of Sacred Law) and the Book of the Law the same as the Bible?**

In Christian lands the holy book of the prevailing faith is the Great Light. In American and English lodges that book is the Holy Bible. A Masonic lodge cannot exist without the V.S.L., the Book of the Law. But in lands where there are other religions, the sacred book of those religions becomes their Great Light. What is important is that some volumes containing divine revelation be a part of the furniture of the lodge. Inasmuch as Freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that some volume containing divine revelation be a part of the furniture of the lodge. Inasmuch as freemasonry is not concerned with doctrine or dogma or sect or denomination, but only with "that natural religion in which all men agree (Old Charges), it is only necessary that the V.S.L. be sacred to the members of the lodge. The Bible on American Altars is not to be considered only as a Christian or a Jewish sacred book; it is a *symbol* of the revealed will and teachings of the Great Architect of the Universe-a name under which any Freemason can worship that Deity in Whom he puts his faith and trust.

## From the Master

Brothers, we are expecting another busy month in Gideon Lodge. We hope to see you there.

**May 2, Monday;** Stated. Dinner 6:30 p.m. Lodge open at 7:15 p.m. Program for the evening will be a talk by DDGM Mike Pettengill. He is always an exciting story teller. This will be your last chance to see him in his role as DDGM. Mike is appreciated for always emphasizing, "If you're not having fun, we are doing something wrong!"

**May 5, Thursday;** Table Lodge. 6:30 p.m. A great event. If you have never been, you need to try this. Gideon has not had one since 1996. It will be quite a departure from our usual dinners: seven courses and seven toasts, plus protocol. Always a fun time. A few tickets are left, they are \$25. Call Dave Henderson at 303-3758.

**May 6, Friday;** Social Lunch, Noon. Always a good time to socialize in a casual setting. Menu has been varied, but has always been a treat.

**May 21, Saturday; Grand Lodge.** Begins at 9:00 a.m., will last most of the day. Very important annual meeting. There will be constitutional amendments proposed, and a new slate of officers. Any Mason may attend but only four of us can vote. If you would like to go, please call the Master.
